

中国建材集团有限公司 China National Building Material Group

CNBM GROUP PROFILE

China National Building Material Group Corporation (CNBM) was reorganized with China National Non-metallic Materials Corporation (SINOMA) with approval from the State Council, as a central enterprise under direct supervision of State-owned Assets Supervision and Administration Commission of the State Council.

CNBM is the largest comprehensive building materials industry group in China that integrates scientific research, manufacturing and logistics into one entity, which has been ranked on the Fortune Global 500 list for eight consecutive years.

Ranked 243,
FORTUNE TOP 500,
2018

Total assets:
USD 85 Billion
Employees: 250,000

Revenue in 2018:
USD 51.1 Billion
Listed companies: 15

Production Capacity ranked **world No.1**

Cement Clinker

530 Million tons

Glass Fiber

2.24 Million tons

Ready Mixed Concrete

460 Million Cubic Meters

Wind Turbine Blade

16 GW

Gypsum Plasterboard

2.2 Billion Square Meters

Leading in the Cement and Glass
Engineering International Market &
Waste Heat Power Generation
International Market

Production Capacity ranked **China No.1**

- Ultra-thin Float Glass

240 Thousand Tons

(0.12 mm ultra-thin electro float glass hit new records)

- Fusion Cast Refractories

40 Thousand Tons

- Bar-shaped pillar porcelain insulator technology and complete sets of equipment for **1100KV** UHVDC transmission and transformation equipment

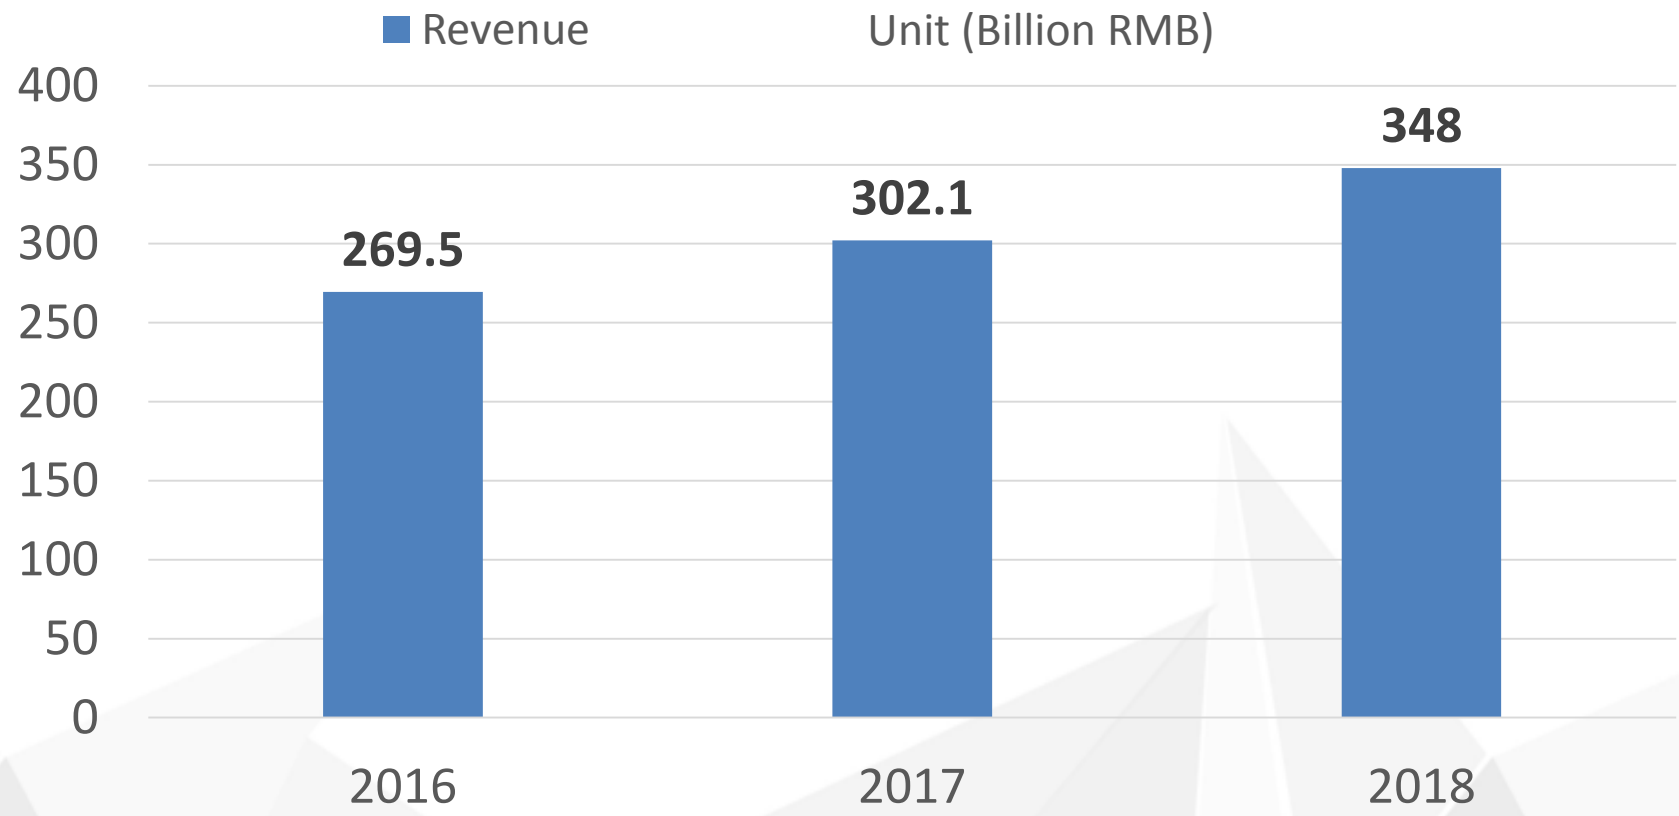

- Carbon Fiber Precursor

10 Thousand Tons

- Carbon fiber

4600 Tons

Building materials supermarket
in Zimbabwe, Australia, USA,
Hong Kong China.

Strategy : We are committed to become the first-class building materials enterprise with global competitiveness.

Strategy Orientation

- The leader of industrial integration
- Innovator of industrial upgrading
- Pioneer of international capacity cooperation

Three Strategy

- Innovation Driven
- Green Development
- International Cooperation
